

HIGHER EDUCATION PROGRAMME AND QUALIFICATION MATRIX

NQF 8 Bachelor of Commerce Honours: Operations and Quality Management - SAQA ID to be confirmed (120 credits)

Strategic Management (15 credits)	Advanced Operations Management (15 credits)	Total Quality Management (15 credits)	Elective 1: Marketing (15 credits)	Elective 2: Organisational Behaviour (15 credits)	Research Methodology (15 credits)	Research Report (Dissertation) (45 credits)
--------------------------------------	--	--	--	---	-----------------------------------	--

NQF 7 Advanced Diploma in Operations Management - SAQA ID 98910 (120 credits)

Strategic Supply Chain Management (15 credits)	Occupational Health and Safety (15 credits)	Risk Management in Operating Systems (15 credits)	Operations and Business Ethics in Operations (15 credits)	Technology and Innovation in Operations (15 credits)	Economics for Managers (15 credits)	Research Essay (30 credits)
---	--	--	--	---	--	--------------------------------

NQF 6 Diploma in Operations Management - SAQA ID 59509 (360 credits)

Production Management III (15 credits)	Quality Management III (15 credits)	Quantitative Methods II (15 credits)	Human Resource Strategy (15 credits)	Supply Chain Management II (15 credits)	Financial Management III (15 credits)	Integrated Application Project III (30 credits)	
Production Management II (15 credits)	Quality Management II (15 credits)	Quantitative Methods I (15 credits)	Labour Law (15 credits)	Supply Chain Management I (15 credits)	Financial Management II (15 credits)	Project Planning and Control (15 credits)	Integrated Application Project II (15 credits)
Production Management I (15 credits)	Quality Management I (15 credits)	Applied Mathematics I (15 credits)	Human Resource Management I (15 credits)	Logistics Management I (15 credits)	Financial Management I (15 credits)	Information Technology I (15 credits)	Integrated Application Project I (15 credits)

NQF 5 Diploma in Production Management - SAQA ID 59020 (240 credits) This qualification is not aligned to the HEQSF

Production Management II (15 credits)	Quality Management II (15 credits)	Applied Mathematics II (15 credits)	Human Resource Management II (15 credits)	Logistics Management II (15 credits)	Financial Management II (15 credits)	Quantitative Methods I (15 credits)	Integrated Application Project II (15 credits)
Production Management I (15 credits)	Quality Management I (15 credits)	Applied Mathematics I (15 credits)	Human Resource Management I (15 credits)	Logistics Management I (15 credits)	Financial Management I (15 credits)	Information Technology I (15 credits)	Integrated Application Project I (15 credits)

NQF 6 Advanced Certificate in Logistics Management - SAQA ID 91995 (120 credits)

Import and Export Practice (15 credits)	Introduction to Transport (15 credits)	Logistics Activities (15 credits)	Logistics Systems (15 credits)	Human Resource Management (15 credits)	Financial Management (15 credits)	General Management (15 credits)	Integrated Application Project II (15 credits)
--	---	--------------------------------------	-----------------------------------	---	--------------------------------------	------------------------------------	---

NQF 6 Advanced Certificate in Operations Management - SAQA ID 91993 (120 credits)

Operations Management II (15 credits)	Quality Management II (15 credits)	Quantitative Methods I (15 credits)	Human Resource Management (15 credits)	Logistics Activities (15 credits)	Financial Management (15 credits)	General Management (15 credits)	Integrated Application Project II (15 credits)
--	---------------------------------------	--	---	--------------------------------------	--------------------------------------	------------------------------------	---

NQF 5 Higher Certificate in Operations Management - SAQA ID 98826 (120 credits)

Operations Management I (15 credits)	Quality Management I (15 credits)	Purchasing and Inventory Management (15 credits)	Applied Mathematics I (15 credits)	Business Management (15 credits)	Business Communication (20 credits)	Academic Literacy (10 credits)	Integrated Application Project I (15 credits)
---	--------------------------------------	---	---------------------------------------	-------------------------------------	--	-----------------------------------	--

NQF 5 Higher Certificate in Business Management - SAQA ID 93712 (120 credits)

Entrepreneurship (15 credits)	Principles of Human Resource Management (15 credits)	Marketing (15 credits)	Fundamentals of Accounting (15 credits)	Business Management (15 credits)	Business Communication (20 credits)	Academic Literacy (10 credits)	Research Project I (15 credits)
----------------------------------	---	---------------------------	--	-------------------------------------	--	-----------------------------------	------------------------------------

HIGHER EDUCATION PROGRAMME AND QUALIFICATION MATRIX

PMI FOUNDATIONAL PROGRAMMES

Operations Management Development Programme (OMDP) This programme consists of 6 modules, plus Mathematical Skills.							
Mathematical Skills	Logistics Skills	Business Skills	Study Skills	Production Skills	Total Quality Skills	Productivity and Work Study	First Line Management
Human Resource Management Skills	Quality Tools and Concepts	Statistical Quality and Process Control	Handling Discipline	Introduction to Information Technology	Production Planning and Control	Project Management Skills	Integrated Application Project

Literacy and Numeracy Courses							
Communication 1	Communication 2	Numeracy 1	Numeracy 2				

OTHER

Toolsetter Programme Level 2							
Communication	Numeracy	Monitoring Quality	Working with Materials and Tools	Working with Production Machines	Production Processes	Drawings and Measuring Instruments	

Toolsetter Programme Level 3							
Quality Management	Handling of Production Materials	Maintenance and Repair	Read and Interpret Engineering Drawings
